OIC-REGISTRARS OF DEEDS
ALL CONCERNED

SUBJECT : Republic Act 11231 or the
Agricultural Free Patent Reform Act

DATE : 28 June 2019

Sections 2, 3 and 4 of the Republic Act 11231 or the Agricultural Free Patent Reform Act, provide:

"Section 2. It is the declared policy of the State to remove the restrictions on free patents to allow the efficient and effective utilization of these lands in order to contribute to wealth creation, entrepreneurship, and economic development.

Section 3. Agricultural public lands alienated or disposed in favor of qualified public land applicants under Section 44 of Commonwealth Act No. 141, as amended, shall not be subject to restrictions imposed under Sections 118, 119 and 121 thereof regarding acquisition, encumbrances, conveyances, transfers, or dispositions. Agricultural free patent shall now be considered as title in fee simple and shall not be subject to any restriction on encumbrance or alienation.

Section 4. This Act shall have retroactive effect and any restriction regarding acquisitions, encumbrances, conveyances, transfers, or dispositions imposed on agricultural free patents issued under Section 44 of Commonwealth Act No. 141, as amended, before the effectiveness of this Act shall be removed and are hereby immediately lifted: Provided, That nothing in this Act shall affect the right of redemption under Section 119 of Commonwealth Act No. 141, as amended, for transactions made in good faith prior to the effectiveness of this Act."

In line with the passage of Republic Act 11231, which is an amendment to Commonwealth Act No. 141 (the general law governing the classification, delimitation, survey, and disposition of alienable lands of the public domain), restrictions imposed under Sections 118, 119 and 121 of Commonwealth Act No. 141 regarding acquisitions, encumbrances, conveyances, transfers, or dispositions of agricultural free patents issued under Section 44 of the same Act shall cease to have force and effect. Thus, effective immediately, all concerned are hereby advised to bear this new law in mind in the processing of transactions involving the acquisition, encumbrance, conveyance, transfer, or disposition of lands covered by agricultural free patents. The RD Operations Committee is likewise directed to initiate the necessary adjustments in the PHILARIS-RD system to remove the requirement for a DENR Certification for the purpose.

For information and compliance.
